

Professor or Associate Professor in Accounting - Financial Analysis

The Business School announces one academic position in the rank of Professor or Associate Professor in Accounting - Financial Studies

In an increasingly competitive environment, the Business School aims to become an international centre of excellence in Business and to develop break-through insights and successful leaders by providing world-class business and management education to undergraduates, postgraduates, highly experienced practitioners and people wishing to pursue academic careers. The School offers undergraduate and postgraduate programmes and is seeking to recruit a Professor or an Associate Professor in Accounting - Financial Analysis.

For the post of Professor or Associate Professor, candidates should have a PhD in Accounting/Financial Studies and at least 10 years or 6 years of teaching and/or research experience at a University, respectively. Candidates should also have significant related teaching experience, as well as a strong record of research and publications. The post holder will play a leading role in developing the subject area and the ideal candidate will be expected to provide substantial academic and research leadership.

An internationally competitive remuneration package is offered according to qualifications and experience.
