

Professor or Associate Professor in Civil Engineering

Neapolis University Pafos announces one academic position in the rank of Professor or Associate Professor in Civil Engineering

Neapolis University Pafos will launch new undergraduate programmes in Civil Engineering and is seeking to recruit a Professor or Associate Professor in Civil Engineering, who will play a leading role in the development and teaching of the programmes in the specific subject area.

For the post of Professor or Associate Professor, candidates should have a Ph.D. in Civil Engineering, with at least 10 years or 6 years of teaching and/or research experience at a University, respectively. Substantial experience in the industry is a prerequisite. Preference will be given to the candidates who have served in senior administrative and university management positions. The post holder and the ideal candidate will be expected to provide considerable management academic and research leadership.

An internationally competitive remuneration package is offered according to qualifications and experience.

For an application pack [click here](#), tel.: +357 26843300, or email: hrd@nup.ac.cy

All applications should be addressed to Ms. Demetria Sofroniou by email. Applications should include a cover letter and Curriculum Vitae.

CLOSING DATE: 2nd December, 2016
