

## DIPLOMA SUPPLEMENT

This Diploma Supplement follows the model which has developed by the European Commission, Council of Europe and UNESCO/CEPES. The purpose of the Diploma Supplement is to provide adequate independent data to improve the international "transparency" and fair academic and professional recognition of qualifications (diplomas, degrees, certificates etc.) It is designed to provide a description on the nature, level, context, content, and status of the studies that were pursued and successfully completed by the individual names on the original qualification to which this supplement is appended. It should be free from any value judgments, equivalence statements or suggestions about recognition. Information in all eight sections should be provided. Where information is not provided, an explanation should give the reason why
