

Curriculum Vitae

1. Academic Staff Curriculum Vitae

University:	Università Guglielmo Marconi, Roma
ID Number:	
Full Name:	Cinzia Barbara Bellone
Rank:	<ul style="list-style-type: none"> - Associate Professor of Urban Planning, - Member of the Commission for Ph.D “Scienze fisiche e ingegneria dell’innovazione industriale ed energetica”, - Coordinator of the Master of “Government of the territory”, - Coordinator of the Master of “Building process management”, - Director of the international Master of “ Interior design” - Referent for the research of the Department of Sustainability Engineering
School:	Urban Planning, Land and Environmental Sciences
Department:	Department of Sustainability Engineering
Scientific Domain:	http://www.unimarconi.it/it/cinzia-bellone

2. Educational qualifications

Degree	Year	Awarding Institution	Department	Thesis title
Research contract	2000	University “Sapienza” of Rome	Faculty of architecture	Urban Planning
Specialization	1998	University “Sapienza” of Rome	Faculty of architecture	Urban Planning
PhD	1997	University “Sapienza” of Rome	Faculty of engineering	Planning and environmental planning of transport infrastructure
Advanced course	1996	University “Sapienza” of Rome	Faculty of architecture	Landscape and environmental design
Advanced course	1992	University “Sapienza” of Rome	Faculty of architecture	Computer aided architectural design
Diploma of participation.	1991	International University “Menéndez Pelayo”		VIII Curso de Rehabilitaciòn
Graduation	a.a. ‘89-‘90	University “Sapienza” of Rome	Faculty of architecture	

3.1 Employment history in Academic Positions

Period of employment		Employer	Department	Position
From	To			
2000	2001	<i>University Roma Tre of Rome</i>	<i>Faculty of Architecture</i>	Professor on contract in “Theories and techniques of territorial planning”
2000	2007	<i>University “Sapienza” of Rome</i>	<i>Faculty of Architecture</i>	Professor on contract in “Analysis and history of the city”
2000	2014	<i>University Roma Tre of Rome</i>	<i>Faculty of engineering</i>	Professor on contract in “Recovery and preservation of Roads”
2006	2007	<i>University “Sapienza” of Rome</i>	<i>Faculty of Architecture</i>	Professor on contract in “Spatial planning and the environment”
2006	2007	<i>University “Sapienza” of Rome</i>	<i>Faculty of Architecture</i>	Professor on contract in “Urban planning and Urban Space Analysis”
2006	2009	<i>University “Sapienza” of Rome</i>	<i>Faculty of Architecture</i>	Professor on contract in “City Planning”
2010	2014	<i>University Roma Tre of Rome</i>	<i>Faculty of engineering</i>	Professor on contract in “City Planning”
2011	2014	<i>University Roma Tre of Rome</i>	<i>Faculty of engineering</i>	Professor on contract in “Analysis of the territory”
2009	2011	University “Guglielmo Marconi” of Rome	<i>Faculty of engineering</i>	substitute professor in “Urban planning”, and “Laboratory of urban planning”
2011	2014	University “Guglielmo Marconi” of Rome	<i>Faculty of engineering</i>	Researcher
2011	2014	University “Guglielmo Marconi” of Rome	<i>Faculty of engineering</i>	substitute professor in “Urban planning”, and “Laboratory of urban planning”

2015	2015	<i>Uniao Dinamica de faculdades Cataratas</i>	<i>Faculty of Urbanisme</i>	Visiting Professor
2015	2015	<i>Uniao Dinamica de faculdades Cataratas</i>	<i>Faculty of Engineering</i>	Visiting Professor
2015	2018	<i>University Roma Tre of Rome</i>	<i>Faculty of engineering</i>	substitute professor in “Analysis of the territory”
2015	2017	<i>University Roma Tre of Rome</i>	<i>Faculty of engineering</i>	substitute professor in “City Planning”
2014		University “Guglielmo Marconi” of Rome	<i>Faculty of engineering</i>	Associate professor

3.2 Employment in non Academic Positions

TEACHING ASSIGNMENTS FOR TRAINING

- Teaching positions (2001-2003) FORMEZ:
 - professor in the project RIPAM, on the subject “Evaluation methods and techniques of the planes”
 - professor in the project RIPAM, on the theme “The Piano for Coordination of Provincial territorial”
- Member of the “Interministerial Committee exam” aimed at taking over the local authorities technicians in the project RIPAM
- Professor in the course: “Local development Managers for eco-tourism,” Promoter A.L.E.S.S. in partnership with the University Sapienza of Rome, on the theme “environmental and planning” (2007/2008), 30 hours
- Professor in the training and retraining of their employees at the LAZIO REGION and the municipality of Rome (2009/20111)

EXPERIMENTAL-PROF.ESSIONAL ACTIVITIES IN THE URBANISTICAL PLANNING

The experimental activities was aimed at deepening cultural integration specification and the actual planning of the territory.

PLANNING TOOLS (GENERAL, IMPLEMENTATION AND SECTORIAL) MUNICIPAL LEVEL

Participation in different times and forms to complex planning of the municipality of Castelforte-Suio Terme (LT) and in particular:

- 1994 Urban Planner (RTP) of the “General Plan of the municipality” (Coordinator prof. eng. U. De Martino).
The plan was adopted by City Council in 1997 and approved by the Lazio region on March 21, 2003. The PRG was exhibited at the second Lazio Regional Review of the INU.
- 1999 Urban Planner (RTP) of the “I and II variation to the General Plan of the municipality” (Coordinator prof. eng. U. De Martino).
- 2004 Urban Planner “Area plan variant 167-Suio Center” (with arch. P. Ranucci).
- 2006 Urban Planner “Variant contributor technical implementing standards of PRG of Municipality” (Coordinator prof. eng. U. De Martino).
The variant was adopted by City Council in 2009 and is currently under examination by the Lazio region.
- 2009 Urban Planner “Unitary Framework Plan consultant of Suio Terme” (Coordinator Teching srl).
- 2012 Urban Planner contributor “Overall PRG variant of the municipality” (Coordinator prof. eng. U. De Martino).

positions in other municipality:

- 2007 Responsible of “SIP in the recovery Variant of abusive settlement of Valle Martella (Zagarolo-Rome) “(designer charged with prof. arch. P. Ranucci)
variant was adopted by the Municipal Council in 2000.
- 2008 winner of the public tender, in RTP (group leader prof. arch. P. Ranucci), “Associated structural plan and REU of the municipalities of Curinga and San Pietro at Maida (Cz)”.
Current job: Preliminary delivered
In 2010 it was awarded to RTP itself commissioned the drafting of VAS for the PSA.
- 2008 Urban Planner contributor to “the Structural Plan of the municipality of Montepaone (Cz)” (group leader prof. arch. P. Ranucci in RTP)
Task: preliminary delivered.
- 2009 winner of the public tender, in RTP (group leader prof. arch. P.L. Carci), “Associated structural plan and REU of Staletti and Squillace (Cz)”.
Work in progress: the preliminary.
- 2009 winner of the public tender, in RTP (group leader prof. arch. P.L. Carci), “Municipal structural plan and the city of Diamante (Cs)”.
Current job: Preliminary delivered
In 2010 has been attributed the same RTP, the task of processing the VAS for the PSC.
- 2010 winner of the public tender, in RTP with leader prof. arch. P.L. Cervellati, for the design of “the Municipal Structural Plan and the REC in the city of Tarquinia (Vt)”.
Urban Planner in RTP of the PSC, particularly with specialized tasks in the following areas: territorial and environmental analysis; quantitative analysis of the existing building assets; analysis of historical evolution and structure of resident population; determination of goals that urban tool intends to pursue

Preliminary intervention programs” (art. 21 LR/9 2009) following the allocation of contributions by the Lazio region. Current job: Preliminary, given the published Notice, at the end.

Collaboration in the writing of:

- “A detailed Plan of the historic center of Bracciano (Rome)”, (1995/’ 96, Urban Planner prof. arch. P. Ranucci).
The PPE was adopted by the City Council in 1997 and approved by the Lazio region in 1999
- “The PPE for the recovery of spontaneously arisen building in Rome: (Tor Vergata-Passo Lombardo)”, (1997, Coordinator of the Working Group prof. U. De Martino).
- “Plan Settlements Production (PIP) in the municipality of S. Cesareo (RM), area of Campo Gillaro, variation to PRG” (2001, Coordinator. T. Saveri).

PLANNING TOOLS (GENERAL AND SECTOR) FOR VAST TERRITORY

- 1996-99 Expert in charge of preparing “the PTCP (Piano Territoriale di Coordinamento della Provincia di Roma), with regard to the field of mobility and traffic”
The PTCP was adopted by the provincial Council on March 26, 1998.
Succinctly explained: Urbanistica DOSSIER N. 13, May-June 1998 and in “Urbanisme” (France), September-October 1998, and other numerous articles.
- 2002-04 Expert in charge with the drafting of “the Territorial Plan of coordination of province of Frosinone”, in relation to the topic “planning in place; questions and subjects of transformation “. Coordinator prof. arch. C. Nucci
The PTCP was published on BUR Lazio N. 19 Suppl. 1 of July 10, 2007.
The PTPG was published by Urbanistica Quaderni, n, 52/09 Rome, INU
- 2006-08 Urban Planner , RTP, “Preliminary studies with the drafting of the plan of the reserve of Posta Fibreno”
- 2011 Urban Planner (Coordinator arch. L. Ferri) “Structure plan of the natural reserve of Posta Fibreno”
Assignment for the “preparation of the plan and the rules of the nature reserve Posta Fibreno” following the decision of granting of European funds by the Lazio region.

Consultant for:

- regulation of the activities of the provincial protected area : nature reserve of Gattaceca and Barco (2002, municipalities of Monterotondo, Mentana, s. Angelo Romano, province of Rome, Coordinator prof. Ranucci).
Delivered the final design in March 2003.
- framework Plan of protected areas in the province of Rome. (2005, DPTU the University Sapienza of Rome)
- research – in the Environment Committee – Territory-of the CNA (National Council of architects, 2006-07).
The contributions are published on the website of CNA

4. Research Projects (until 11)

Consistent scientific activity in the urban planning disciplinary area, with emphasis on research aimed at interdisciplinary work.

- Participation in the work of research units at the DPTU (Faculty of architecture, University Sapienza) whose results have been published in various forms:
 - “Plan for medium and small towns: the area of Sabina in Lazio”; Research of Faculty, 60% MURST, Coordinator prof. R. Strappini
 - “Urban planning and traffic Plan”; Research of Faculty, 60% MURST, Coordinator prof. R. Strappini
 - “Morphological-historical reading of man-made territory as premise to Urbanistic Plan” Research of Faculty, Coordinator prof. R. Strappini.
 - “The determination of the characteristics of a metropolitan area: the specific requirements for a perimeter and territorial definition”, Research of Faculty, Coordinator prof. L. Carbonara (2000).
 - “Criteria for the planning of small and medium-sized municipalities in areas of high environmental quality. The management of the transformations of urban centers as a tool for conservation and implementation of exceptional character and biodiversity of high natural value areas. A case study: urban planning in of the upper basin of the Tronto in drawing up the National Park Gran Sasso Laga” Research of Faculty, Coordinator prof. R. Strappini (2000).
 - “Territorial and Government Transformations – metropolitan areas after the reform of local self-government: the case of Rome” Research of Faculty, Coordinator prof. U. De Martino.
 - “Morphological size definition of Metropolitan territory: new interpretive paradigms for defining urban planning. The comparison between the Italian and European episodes” Research of Faculty, Coordinator prof. R. Strappini (2001).
 - “On the second experience URBAN Observatory: annual reports, reflections and proposals”, Research of Faculty, Coordinator prof. U. De Martino (2002).
 - “The environmental planning in the territory. The training-methodological procedures and administrative/legal-PTCP and PTAM– with reference to the interests concerning the protection of the environment-after the reform of title Vth and the subsequent constitutional reorganization” Research of Faculty, coordinator prof. U.De Martino (2003).
 - “A common language for a common instruments. It is possible to build a quality PTCP right interpretation of structural lexicon of legislation and planning tools for large area“ Research of Faculty, Coordinator prof. U. De Martino (2004).
- Participation in the work of established research unit at the University “ROMA TRE” of Rome
 - “Lazio region between the choices of the metropolitan area and the main trends of the development of settlement systems, with particular regard to the compatibility in urban wide area instrumentation with the use of environmental resources”, Research of CNR, coordinators prof. M. Ottolenghi, prof. P. Ranucci).
 - “The new concept of standards in national and regional legislation” Research of Faculty, Coordinator prof. P. Ranucci (2000).
 - “The definition of policies, methods and strategies for the detection of specific in interventions and programmes on the landscape, in reference to the maintenance and processing of different landscapes of Lazio with particular attention to landscape systems turned mostly, transformations by man, namely urban one (Regione Lazio), Coordinator prof. P. Ranucci (2004).
 - “Urban Glossary between tradition and innovation”, Research of Faculty, Coordinator prof. P. Ranucci (2007-2008).
- Participation in the work of research unit coordinated at national level:

- “Territorial transformations and governance of metropolitan areas after the reform of local self-government: the case of Rome”, Research of University, Coordinator prof. U. De Martino (2002).
- “The Government of metropolitan areas in the absence of official boundaries and administrative bodies. The case of metropolitan area of Rome”, Research of University, Coordinator prof. U. De Martino (2003).
- “The Government of metropolitan areas in the absence of administrative bodies. The case of metropolitan area of Rome”, Research of University, Coordinator prof. U. De Martino (2006).
The research ended with an International Conference “The governance of metropolitan areas in Italy and Europe. Experiences comparison and organizational proposals “, scientific coordination U. De Martino, scientific secretary Cinzia Bellone, held in Rome on 16-17 June 2006;
- “ QUATER: spatial planning framework “ Research of CNR, Coordinator prof. L. Rolli, responsible for the region Lazio.
The research results were published on “QUATER: The plan in Italy” Alinea 2003
- “Reforming urban planning” Environment Department-territory of the CNA (National Council of Architects)
- Collaboration to research established at the Professional Association of Architects of Frosinone-“Territory”Commission, 1992-95:
 - “State of local planning in the province of Frosinone”
 - “The status of provincial planning in Frosinone”
this research ended with the participation of the 3 ^ RUR organized by INU 23-25 the March 1995 and to the realization of the exhibition catalogue.
- Collaboration to research established at the National Institute of Urban Planning (INU) Lazio section. (1993-2004)
 - “The construction of the ATL.A.Me.R. “ (coordinator)
 - “Implementation L. 142 in Rome”
That research is ended with a series of lectures held in the hinterland area and in the 1^ Metropolitan Conference carried out with the support of Provincia di Roma;
 - “Environmental planning in Lazio”
This research, which is part of the ongoing work of the Environment Committee of the Lazio section of INU, made it possible to provide a significant contribution to the realization of the Urbanistica Informazioni N. 8 and to participate in the drafting of the Dossier of UI n. 30 by A. Filpa.
 - “Cognitive research Contributions to the new PRG of Rome”
 - “Comments to PTPG the province of Rome”
 - “Comments to “Testo Unico” urban planning of the Lazio Region”
