

LECTURER POSITION IN CIVIL ENGINEERING

The Civil Engineering Department of the Neapolis University Pafos announces an academic position in the rank of Lecturer in Civil Engineering with specialization in Robustness of Reinforced Concrete Structures.

Neapolis University Pafos runs an undergraduate programme in Civil Engineering while launching a new graduate programme in the same field. Therefore, the Department of Civil Engineering seeks to recruit one Lecturer in Civil Engineering for the development and teaching of the programmes.

For the specific Lecturer post candidates should have a PhD in Civil Engineering. Academic experience in the fields of Reinforced Concrete, Structural Robustness, Damage Assessment & Retrofitting will be considered. Research record, scientific contribution, involvement in teaching and development of high quality undergraduate and graduate curricula will be considered as a plus. Experience in administration and in the construction industry will also be an asset.

An internationally competitive remuneration package is offered according to qualifications and experience.

For an application pack [click here](#), tel.: +357 26843300, or email: hrd@nup.ac.cy

All applications should be addressed to Human Resources Department by email. Applications should include a cover letter and Curriculum Vitae.

CLOSING DATE: 31st May, 2019

JOB DESCRIPTION

Job Title: Lecturer in Civil Engineering with specialization in Robustness of Reinforced Concrete Structures
