

**Real Estate Department**  
Faculty Position

**One full-time Lecturer or Assistant Professor Position in REAL ESTATE DEVELOPMENT & SUSTAINABILITY** in the Real Estate Department at the School of Architecture, Engineering, Land and Environmental Sciences

**Neapolis University Pafos** announces the following full-time academic position in the rank of **Lecturer or Assistant Professor in REAL ESTATE DEVELOPMENT & SUSTAINABILITY**.

The Department of Real Estate at Neapolis University offers an internationally recognised MSc in Real Estate, which has been accredited by RICS, and a Bachelor in Real Estate Valuation and Development recognised by the Cyprus Scientific and Technical Chamber (ETEK).

The Department has an opening for a full-time Lecturer or Assistant Professor to undertake the teaching of courses in the areas of Real Estate Development and its Sustainability/Environmental aspects.

The position requires a Ph.D. degree in Real Estate or the Build Environment. The ideal candidate for this post should have completed a Ph.D. in a Real Estate Department with a dissertation focusing on real estate development and sustainability/environmental aspects.

Candidates are required to be fluent in both the English and Greek language. Prior teaching experience and research will be considered as a plus. Also, good knowledge of Geographic Information Systems and their use in Real Estate will be considered as a plus but is not required.

All applications should be addressed to the Human Resources Department, by email at [hrd@nup.ac.cy](mailto:hrd@nup.ac.cy). Applications should include

Application form ([download here](#))

A cover letter and a Curriculum Vitae

A brief overview of your research interests as well as a brief description of your future research plans – in English and in Greek language - up to 1500 words

Names and contact details of at least three (3) academic referees

**CLOSING DATE: 7<sup>th</sup> of October, 2019**
