

## LECTURER POSITION IN REINFORCED CONCRETE STRUCTURES

**The Departments of Civil Engineering and Real Estate of the Neapolis University Pafos announce an academic position in the rank of Lecturer in Reinforced Concrete Structures.**

Neapolis University Pafos runs an undergraduate programme in Civil Engineering and an undergraduate programme in Real Estate Valuation and Development, while launching a new graduate programme in Civil Engineering. Therefore, the Departments of Civil Engineering and Real Estate seek to recruit one Lecturer for teaching in the programmes and undertake administrative duties in the Engineering Laboratories.

For the specific Lecturer post candidates should have a PhD in Civil Engineering. Academic experience in the fields of Reinforced Concrete, Structural Robustness, Structural Systems and Damage Assessment & Retrofitting will be considered. Research record, scientific contribution, laboratory experience and involvement in teaching and developing of high quality undergraduate and graduate curricula will be considered as a plus. Experience in laboratory administration as well as in the construction industry will also be an asset.

An internationally competitive remuneration package is offered according to qualifications and experience.

For an application pack [click here](#), tel.: +357 26843300, or email: [hrd@nup.ac.cy](mailto:hrd@nup.ac.cy)

All applications should be addressed to Human Resources Department by email.

All applications should include a cover letter and Curriculum Vitae.

***CLOSING DATE: 31<sup>st</sup> July, 2021***
