- **How to save, print, e-mail a full text article**

The image is a screenshot of a digital library or journal website. On the left, there is a sidebar with a 'Detailed Record' section containing metadata like 'Source: International Journal of Arts Management' and 'Date: January 1, 2014'. Below this is a 'Full Text Contents' table of contents. The main area displays the article title 'Determinants of the Number of Artworks in Corporate Art Collections' in a large, teal font, which is circled in orange. Above the title is a 'Market Research' tag, and to the right is a 'Full Text Article' label. Below the title, the authors 'Hyejung Yoon, Hyung-Deok Shin' are listed. The article text begins with an 'Introduction' section, followed by a 'Literature Review and Hypotheses' section. On the right side of the article, there are biographies for both authors. At the bottom right, there is a large orange arrow pointing towards the article title. Below the arrow, text reads 'You can print, send by e-mail, cite, export, share'. At the very bottom right, there is a row of icons for various actions, including a printer icon, which is also circled in orange.
