

Dear University Partners,

We hope you are well. We are pleased to invite your students to a series of informative sessions where they will be able to get to know our internship program based in our European Headquarters in the Netherlands.

We need your support in distributing this information over to your students. The sessions are open for all and it will be a great opportunity to connect with the University Relations team and learn more about the opportunities we will have this coming year.

Few Key Facts for our program:

- Location: European Headquarters, Netherlands
- Program Duration: 12 months
- Start Date: August 2022
- Job Functions: Various departments throughout the organization
- Requirements: Less than 2 years' work experience and enrolled in University

We will also be holding a Converse Informative Session on Tuesday, 23rd of November, we will send some more information on that shortly.
