

**Position Opening for the Rank of Assistant Professor  
Department of Computer Science, School of Economics,  
Business and Computer Science, Neapolis University Pafos**

Neapolis University Pafos, (NUP), is a fully recognized private University ([www.nup.ac.cy](http://www.nup.ac.cy)) in the Republic of Cyprus, situated in the city of Pafos.

The University announces one position in the Rank of **Assistant Professor**, in the field of the **Computer Networks**. The position is open at the present time, in order to assist the process by widening the possibility for the submission of expressions of interest.

For the position of Assistant Professor, the following are required:

- At least three years of self-reliant academic level teaching or research after the acquisition of a doctoral degree from a recognized university or research center and
- Original publications in valid international scientific journals or other publications of recognized value that forebode important contribution to science. Concrete and certified knowledge of operation of foreign academic systems, in particular from English-speaking countries, and corresponding administrative experience in a University, will be seriously taken into account.

**Desired Qualifications:**

Strong interpersonal and teaching skills will be an asset.

**Salary**

The fee is determined in the contract, depending on qualifications and experience.

**Required Documentation**

Interested parties are invited to submit the following documents, in PDF format, electronically by February 28<sup>th</sup> 2022, to the following e-mail [hrd@nup.ac.cy](mailto:hrd@nup.ac.cy) or send them to the Human Resources Department at 2 Danais Ave., Paphos, 8042.

- Complete Curriculum Vitae in Greek or English
- Copy of ID/passport
- Copies of diplomas
- Letter of Expression of Interest
- Research Project Review as well as a brief description of future scientific projects (up to 3 pages) in Greek or English.
- List of Publications
- Representative Publications (up to 3)

- Two letters of recommendation

***CLOSING DATE: February 28th, 2022***

The Assistant Professor is expected to:

- Undertake administrative duties.
- Teaching of a limited number of Courses related to the specific scientific field.
- The active involvement in the development of research programs with the participation of the members of the teaching personnel of the Department, as well as the teaching staff of the distance learning programs of the Department.
- The active involvement in the development and certification of an Undergraduate program of studies.
- The active involvement in the development and certification of any new Postgraduate Programs of Studies.
- The active involvement in the procedures for promotion of the programs of the Department, and the attraction of new students, in particular from third world countries (beyond Greece/Cyprus), in collaboration with the International Marketing Office of the University.
- Commitment to reside in the District of Pafos.
