

An Architecture office in Cyprus & Greece is currently looking to hire a graduate Architect to join the Cyprus studio in Nicosia through the ETEK Young Architects programme. Developing young talent is key to the future of their practice and through teamwork and mentoring, they try to bring out the best in every one of their staff. The candidate will have the opportunity to work on a variety of projects in Cyprus and internationally.

Successful candidates will be able to demonstrate the following:

- passion for creativity, with strong design skills, which you are confident in presenting in a variety of media
- good organisation skills and an enthusiastic attitude with an ability to work as part of a team
- fluent in Adobe Creative Suite
- proficiency in working with Autodesk Revit and AutoCAD would be beneficial.
- strong communication skills, both verbal and written with a fluency in English and Greek

If you are inventive, energetic and interested in being part of the team MOIRE, they would like to hear from you and give you the opportunity for an exciting future in Architecture. Please send your CV and portfolio (max 10 MB) to jobs@moire.com.cy
