

**AdTech Holding Company** invites you to **an internship in the Finance department.**

We are offering a three-month internship opportunity in our Finance Department! This internship is ideal for graduates who are looking to gain valuable experience and expand their knowledge in the finance field. During the internship, you can assist in different financial processes and get an overview of the finance department and the business.

**Qualifications:**

- You are a fresh finance graduate who strongly desires to start your career!
- You are eager to learn new things and start practicing your knowledge!
- You know Microsoft Excel and have excellent analytical skills!
- You are attentive to details and accurate!
- You are a team player!

**Benefits:**

- Hands-on experience in financial analysis and reporting
- Exposure to various financial functions within the department
- Mentorship and guidance from experienced professionals in the field
- Networking opportunities with industry leaders and stakeholders

Please submit your resume and a cover letter explaining your interest in this internship opportunity. We look forward to reviewing your application and welcoming you to our dynamic finance team!
