SEARCH IN THE UNIFIED BASE OF THE UNIVERSITY

If you want to locate sources on a specific topic from all the databases to which we subscribe, or even locate books that exist in physical form in the library, you can use the University Integrated Database which can be found on the <u>main page</u> of our library

1. Use the Search Box Tool to begin your search

2. Type in the *Search Box Tool* the keyword for the topic you are interested in and press *Enter* or click on the *Search button*. The system takes you to the results' page (see picture below)
