The first “Young Professionals Internship Programme” of the Technical Committee on Economic and Commercial Matters.

This programme offers an opportunity to young Greek Cypriots and Turkish Cypriots to acquire job experience, gain important professional skills, and develop a better understanding of the working and cultural environment across the island.

For further details on how to make applications are outlined in the attached invitation in the email and UNDP Cyprus website, [here](#).

**Applications will be accepted until the 21<sup>st</sup> of January 2024** and the selection of candidates and interviews will be completed by the 31<sup>st</sup> of January 2024. The chosen interns are expected to start their internships on the 5<sup>th</sup> of February.

This programme is funded by the EU, implemented by UNDP in coordination with OSASG-Cyprus. The Cyprus Chamber of Commerce and Industry (KEBE) and Turkish Cypriot

Chamber of Commerce (KTTO) will be the local implementing partners, matching the companies and young professionals.
