

JOB POSTING

Title of Position: Lecturer or Assistant Professor in Econometrics and Statistics

Neapolis University Pafos

2 Danais Avenue,

Paphos 8042

Neapolis University Pafos (NUP) is one of the leading private universities in Cyprus, with students from all around the world. It is a vibrant academic institution focusing on high-quality education and research that aims to provide top educational services to the Cypriot region and beyond.

With over 3,500 on-campus and online students and more than 40 undergraduate and graduate programs in five diverse faculties, NUP celebrates academic excellence and excels at providing exceptional experiential learning opportunities. NUP delivers graduate and undergraduate programs in Business, Accounting, Real Estate, Law, Psychology, Computer Science and Artificial Intelligence, Architecture and Civil Engineering, and International Relations and Security. Our students and faculty reflect the local, national, and global community.

About the Department of Economics and Business

The Department of Economics and Business is one of three departments in NUP's School of Economics, Business, and Computer Science. We are a supportive and collegial team, with 18 full-time faculty members and several part-time faculty members. The Department offers and contributes to a wide range of programs including:

- A Bachelor of Business Administration (BScBA) degree and a Bachelor of Digital Business (BScDB).
- Ten conventional and distance-learning postgraduate programs.
- A joint Ph.D. with Co-Supervision in Business Administration in collaboration with the Department of Business Administration, University of Piraeus

Job Description:

The Department of Economics and Business at Neapolis University Pafos (NUP) invites applicants for a full-time appointment (Lecturer or Assistant Professor) in Econometrics and Statistics, with a preferred starting date of February 1st, 2025. Candidates will maintain an active research agenda while teaching four sections per academic semester in this position. We focus on developing a good relationship with our students and to this end our sections are generally less than 40 students. The candidate will teach economics courses from

within the undergraduate and graduate courses offered on campus in Pafos, Cyprus. The candidate will also make a strong ongoing service contribution to the department, school, university, and/or the broader community.

Qualifications and Experience:

The Department of Economics and Business at NUP seeks applicants to do research in the area of (applied) econometrics. A demonstrated strong potential for excellence in scholarly research and teaching is required. Applicants should normally have an earned doctorate in Economics (all areas). PhD candidates who are close to completion will also be considered. The position entails conducting research, teaching, and service.

Application Process

Interested applicants must submit the following:

- Cover letter
- Curriculum Vitae
- Statement of research interest
- Examples of scholarly research such as job market papers, publications, conference papers, working papers, monographs, etc.
- A teaching dossier including a statement of teaching philosophy, peer teaching assessments (if applicable), student teaching evaluations (if applicable), course outlines (if applicable), and any other materials that demonstrate a commitment to excellence in teaching.

Short-listed applicants will be required to provide:

- At least three letters of reference and reference contact information.
- A copy of transcripts at the time of an interview or preferably before

Salary and benefits:

The salary will be analogous to any prior experience.

How to Apply:

Please submit your application, stating “Lecturer or Assistant Professor in Econometrics and Statistics” in the subject line with a copy of the required documents to hrd@nup.ac.cy

As an equal opportunities’ employer, we welcome applications from all suitably qualified people. All appointments will be based on merit.

CLOSING DATE: Assessment of applications will begin in November 2024 and will continue until the position is filled.
