NUP is a full member of the **European University Alliance EMERGE** (www.euemerge.eu), an Alliance of 9 Universities from 8 European Union member states, fully funded by the European Commission.

The Department Real Estate at the School of Architecture, Land & Environmental Sciences announces two academic positions in the rank of Lecturer or Assistant Professor or Associate Professor or Professor in Real Estate Economics / Management / Finance

About the Department of Real Estate

The aim of the Department of Real Estate is to develop highly specialized professionals in one of the main sectors of the economy not only in Cyprus but also globally, by

providing the contemporary knowledge and skills that are sought by companies and organizations active in the real estate sector.

The programmes provided by the Department combine academic knowledge with practical experience in order to provide students with the required theoretical knowledge and skills for a successful career in real estate. The Department's programmes are unique in the areas of Cyprus and Greece and have been structured on the basis of the best undergraduate and postgraduate programmes in the field of real estate in the United Kingdom and the United States.

Furthermore, the teaching staff are individuals with academic specialization in real estate, and many years of local and/or international experience in the real estate industry. The undergraduate programme has been certified by ETEK, while the postgraduate programme has been certified by RICS, the leading, professional real estate association internationally.

Job Description:

We are seeking to recruit two full-time academics at the rank of Lecturer or Assistant Professor or Associate Professor or Professor.

We are looking for candidates who can demonstrate strong interest, experience in teaching and/or research in the areas of real estate economics/management /finance, real estate development, and/or environmentally sensitive and sustainable Real Estate development.

Qualifications and Experience:

For the post of Lecturer or Assistant Professor or Associate Professor or Professor, candidates should have a PhD in Real Estate Development / Management / Economics / Finance or any other related Engineering or Architecture discipline or a relevant area and at least 4 years for Assistant Professor, 8 years for Associate Professor, 12 years for Professor of teaching and/or research experience at a University, respectively. Candidates should also have a strong record of research and publications in the area of Real Estate economics/management/finance. The post holder will be expected to provide substantial high level quality teaching, academic and research leadership.

The positions are for on campus academic services in Pafos, Cyprus.

An internationally competitive remuneration package will be offered according to qualifications and experience.

Application Process

Interested applicants must submit the following:

- Cover letter
- Curriculum Vitae
- Statement of research interest

- Examples of scholarly research such as job market papers, publications, conference papers, working papers, monographs, etc.
- A teaching dossier including a statement of teaching philosophy, peer teaching assessments (if applicable), student teaching evaluations (if applicable), course outlines (if applicable), and any other materials that demonstrate a commitment to excellence in teaching.

Short-listed applicants will be required to provide:

- At least three letters of reference and reference contact information.
- A copy of transcripts at the time of an interview or preferably before

Salary and benefits:

The salary will be analogous to any prior experience.

How to Apply:

Please submit your application, stating “Lecturer or Assistant Professor or Associate Professor or Professor in Real Estate Economics/Management/Finance” in the subject line with a copy of the required documents to vacancies@nup.ac.cy.

As an equal opportunities’ employer, we welcome applications from all suitably qualified people. All appointments will be based on merit.

CLOSING DATE: 3rd April, 2026
