Lecturer / Assistant Professor Architecture

**Job Ref:** NUP0039/26

Neapolis University Pafos

2 Danais Avenue,

Paphos 8042

**Neapolis University Pafos (NUP)** is one of the leading private Universities in Cyprus, with students from all around the world. It is a vibrant academic institution focusing on high-quality education and research that aims to provide top educational services to the Cypriot region and beyond. With over 3,500 on-campus and online students and more than 40 undergraduate and graduate programs in five diverse faculties, NUP celebrates academic excellence and excels at providing exceptional experiential learning opportunities. NUP delivers graduate and undergraduate programs in Business, Accounting, Real Estate, Law, Psychology, Computer Science and Artificial Intelligence, Architecture and Civil Engineering, and International Relations and Security. Our students and faculty reflect the local, national, and global community. The University is a full member of the European University Alliance EMERGE ([www.euemerge.eu](http://www.euemerge.eu)).

**Location:** Neapolis University Pafos

**Type of Employment:** Full-time appointments

### **About the Department of Architecture, Land and Environmental Sciences**

The Department of Architecture, Land and Environmental Sciences belongs to the School of Architecture, Engineering, Land and Environmental Sciences at Neapolis University Pafos, combining technically and creatively oriented disciplines under one, multifocal academic structure. The Department currently offers three Programmes: an 'Integrated Master in Architecture', a Postgraduate Course in 'Space and Brand Identity', and a Postgraduate Course in 'Environmental Impact Assessment and Sustainability Management.

The Department aspires to be a regional reference point for educational quality and research excellence combining the humanistic values of architecture, developing highly specialized professionals equipped with the knowledge and skills sought by employers in Cyprus and beyond. Also, a strong portfolio of research is being developed and the Department has high ambitions in this domain of work.

### **Job Description**

The Department of Architecture, Land and Environmental Sciences at Neapolis University Pafos (NUP) invites applicants for **two full-time appointments**:

- Associate Professor/Professor in **Architectural Design & Research**
- Lecturer/Assistant Professor in **Architecture, Interior Design and Visualization**

Candidates will maintain an active research agenda (high quality publications are expected, certainly Scopus-indexed as a minimum), while teaching up to four courses per academic semester in this position. We focus on developing a good relationship with our students.

The candidates will teach Architecture and Design courses from the undergraduate courses offered on campus in Pafos, Cyprus. The candidates are also expected to make a strong ongoing service contribution to the Department, School, University, and/or the broader community.

The preferred starting date is the 1<sup>st</sup> of September 2026.

### **Qualifications and Experience**

The Department of Architecture, Land and Environmental Sciences at NUP seeks applicants to undertake applied research in the areas of Architecture, Design and Visualization. A demonstrated strong potential for excellence in scholarly research and teaching is required. For these positions, applicants should normally have a doctorate in Architecture or Design. PhD candidates who are close to completion will also be considered. These positions entail conducting quality research and teaching, as well as engaging with the industry, as well as a recognized architectural work.

## **Application Process**

Interested applicants must submit the following:

- Cover letter
- Curriculum Vitae
- Statement of research interest
- Examples of scholarly research such as papers, publications, conference papers, working papers, monographs, etc.
- A teaching dossier including a statement of teaching philosophy, peer teaching assessments (if applicable), student teaching evaluations (if applicable), course outlines (if applicable), and any other materials that demonstrate a commitment to excellence in teaching.

Short-listed applicants will be required to provide:

- At least three letters of reference and reference contact information.
- A copy of transcripts at the time of the interview or preferably before.

## **Language:**

- Excellent knowledge of Greek (strongly desirable- both verbal & written).
- Excellent knowledge of English (strongly desirable - both verbal & written).

## **Salary:**

- Salary range: 2000k – 4.230k depending on the ranking (Lecturer, Assistant Professor, Associate Professor, Professor).

## **How to Apply:**

Please submit your application, stating "Associate Professor/Professor in **Architectural Design & Research**" or "Lecturer/Assistant Professor in **Architecture, Interior Design and Visualization**" in the subject line with a copy of the required documents [vacancies@nup.ac.cy](mailto:vacancies@nup.ac.cy)

### **Equal Opportunities**

*As an equal opportunities' employer, we welcome applications from all suitably qualified individuals. All appointments will be based on merit.*

**CLOSING DATE: 03-08-2026**

*Please note that applications will close once the position has been filled or a suitable candidate has been identified. We therefore encourage early applications.*
